

## Our Purpose

To participate in parades and other ceremonies that are in keeping with the aims and purposes of the American Legion.  
To promote motorcycle safety. To provide a social atmosphere for American Legion members who share the same interests. To use our association to promote and support the programs of the American Legion, the community and other motorcycle organizations.

## Mid-Winter Update:

Over the last three months, the Legion Riders activities have slowed down as cooler weather sets in. We had our November quarterly membership meeting at headquarters in Portage with our special guest Past National Commander Denise Rohan. She shared information about the Veterans & Children Foundation (VCF) which will be one of the programs we are targeting with the 2026 WI Legion Riders - Cruise for a Cause. At the District level we also had some significant events: District 7 Legacy Run motorcycle ride fundraiser, District 2 Chili Cook Off with special guest National Vice Commander Steve Weismann, Veterans Day Parade in Milwaukee, numerous Wreaths Across America events within the state including King National Cemetery.

Planning for the 2026 Cruise for a Cause has been going on for a while. 'Family First – 26' will be held on June 26 - 28, 2026. We are targeting 3 programs, 1 national and 2 local to Wisconsin: National Legacy Run, targeting the Veterans & Children Foundation, American Legion Auxiliary - Badger Girls State program & Sons of the American Legion - Operation A.L.F.

**Veterans & Children Foundation (VCF):** Provides temporary financial assistance has awarded cash grants to minor children of current active duty or American Legion members. These grants help families in need meet the cost of shelter, food, utilities and health expenses, thereby keeping the child or children in a more stable environment. A single onetime non-repayable Temporary Financial Assistance grant of up to \$2,500 will be permitted for the minor child(ren) of a qualifying veteran. VCF also funds training for The American Legion organization's accredited veteran service officers who are continuously working more than 750,000 benefits claims for disabled veterans and their families, free of charge.

**Operation A.L.F.:** One of the goals of the Sons of The American Legion has always been to support our active-duty military. Over the past few years, they have been privileged to participate in pre-deployment ceremonies for servicemembers heading to duty in far away places, far from their loved ones by providing their children with comfort puppies to keep them company while mom or dad is away. Operation A.L.F. stands for American Legion Family, so children can name their new friend whatever they want, that way it is personally theirs. \$3,000 is designated.

**Auxiliary Badger Girls State program:** American Legion Auxiliary Badger Girls State is a program sponsored by the American Legion Auxiliary. Girls State is not a recreational program it is a government and leadership conference where the entire delegation will create a mythical fifty-first state that functions according to the laws of the State of Wisconsin. Each day will focus on the various aspects of city, county and state government. The citizens are divided into political parties, develop their own party platforms. The girls "learn by doing" as they function on city, county and state levels by electing officials in the manner prescribed by regular election procedures. 20% designated.

The Legion Riders are promoting this event; however, we want it to be a true family affair. We will have Department Commander Jim Johnson, Department President Becky Mueller, Detachment Commander Allen Watry and Rider Director Corey Doehrmann traveling with us through the state.

### **Membership Update:**

The Legion Riders of Wisconsin have 765 members across all 12 districts. We are comprised of 550 Legionnaires, 124 Auxiliary & 140 Sons of the American Legion.
